SKIN BOOSTER

Skin booster injections are not fillers, but an incredible effective remodelling and bio revitalisation injectable , made of hyaluronic acid.

Offers a miracle solution for facing ageing concerns. Are the only products that aims to stimulate collagen production and elasticity.

The hydrating power of this acid feeds the skin's cells at a deeper level and result in supple, younger - looking skin.

This treatment can be used not only on the face but on other areas of the body including neck, hand, collatage, axillary sup lateral / intercosto brachial ...

PROFHILO	£240	JALUPRO / TKN HA3 (FACIAL)	£240
TKN HA3	£240	Neck	£260
SuneKos	£190	Hands	£250
PRP (facial)	£260		

PRP = Platelet Rich Plasma. Is an innovative skin rejuvenating / booster treatment that has been scientifically proven to refresh, tone, and tighten the skin by repairing it's elasticity, colour, and quality. PRP uses your body's own rejuvenating properties to initiate a local stem cell response, which helps build new collagen, elastin, and blood vessels.

This process helps to repair and generate damaged skin for a healthier and more refreshed appearance with minimal downtime.

WRINKLE RELAXER TREATMENTS (Botox)

Anti wrinkle injections are the most effective non-surgical treatment option for relaxing facial expressions lines and softening fine lines and wrinkles.

Commonly treated areas include the frown forehead, crow's feet, brow lift, widened jawline, dimpled chin and gummy smiles, hyperhidrosis (the excessive sweating for the underarms.)

Our Certificated aesthetician is specialised in natural looking results and is an expert in providing consultation for areas which may require small touch as well as dealing with your areas of concern. Our aesthetician will provide you will a full consultation to ensure that she has a good understanding of what you would like and the look that you are trying to achieve.
