**@Balham**  
ecoFRIENDLY-SUSTAINABLEsalons

We choose to work with independent manufacturers and TRENDS has a strong commitment to sustainability and wellness to help our planet.

That's why we choose **SENSU'S** products for hair colouring, styling and treatments. Their products represent the ethical principles that shows through clear messages and effective formulas, respecting people and the environment.

- We have waste management in a safe environment to help our planet.
- We pack all our materials and items individually for each client. ( towels and gown ).
- We have sanitising equipment to sanitise our tools in a open area where clients can see.
- We associate with top products/company leaders.
- We will only sell the best products available.
- We are using date technology to improve the client experience in all fields.
- We have 24/7 online booking system available.
- We will deliver a world class consultation with every client .
- Every client is treated like a special guest.

\*Managing Directors Prices are different.

\*Be aware that our hair service prices are from prices and can be varied depending on hair condition, thickness and length.

**\*Patch test required prior to your appointment or signed disclaimer before proceed.**

At **TRENDS**, We specialise in waxing for both Men & Women.( our Most Popular beauty treatment ). We Use hot and strip wax provided from Harley products.

We are highly qualified experienced Therapists who use hygienic waxing practises to maintain the highest standard of methods. That means **No double dipping** of hot wax spatulas among other practices.

-Waxing / hair removal is not an agonising experience with us.

-We carefully choose Harley waxing in our salons. Their products are made by the finest ingredients and essential oils. Its incredible aroma will leave skin smooth and refreshed.

It's low-melt temperature will guarantee client comfort and total satisfaction.

## Your skin is as individual as you are.

At trends We offer a great range of Body and Facials treatments using Dermalogica, for both men and women designed to relax and treat your skin's individual needs.

Dermalogica products are specifically designed to target and treat your skin concerns giving you real results. All facials include a professional skin analysis to determine the best facial treatment for you. Please have a look at our Hydro dermabrasion or professional peels also available at Westminster Branch.

Allow our masseurs therapist to relieve stressed muscles, ease tension and improve circulation and relax tired aching muscles from covid's hustle and bustle

**Note:** Please be aware that the treatments highlighted in green are only available at our Westminster branch.
